PEST CONTROL NOTICE

Date 23/04/2025

Notice to Manly National Lot Owners and their Tenants

Dear Manly National Lot Owners and Tenants

The Owners' Corporation contracts Impact Pest Management to provide pest control services to the common property of the Manly National Building on a 4 monthly cycle.

Impact Pest Management services conveniently located in Manly is also available to provide pest management services to the inside of your apartment for a fee payable by you.

The Strata Committee and I as Building Manager recommend you consider regular treatment for domestic pests like cockroaches, spiders, fleas and the like.

The common property will next be treated on:

Friday 2nd May 2025, if you would like your apartment treated on this same day I have negotiated the special price of \$80 per apartment for pest control services. Should this service be of interest to you please contact them directly on the number noted below.

Impact Pest Management

Owner: Sandor Mermeze
Phone: 9977 7129
Mobile: 0422 839 904
Email: sandorm@bigpond.net.au

If you require clarification of any matter arising from this please email me at buildingmanager@manlynational.com

Thank you

Tony Strati
Building Manager, on behalf of the Owners Corporation S.P. 7114
